

# Helping Hands for Dignity Coalition

## OUR MISSION:

"To bring aid to the element of human suffering through direct outreach & community action for our unhoused friends in and around the Denver area"

## WHO WE ARE:

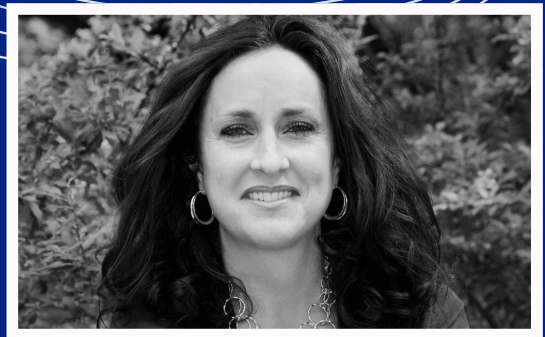

HHFDC is a 501c3 nonprofit organization in the State of Colorado serving the function of direct street outreach for unhoused individuals in and around Denver.

## WHAT WE DO:

(When funding is available)  
Provide: food, shelter, clothing & supplies; access to transportation, communication & job opportunities; cleanup & waste management for unhoused populations.

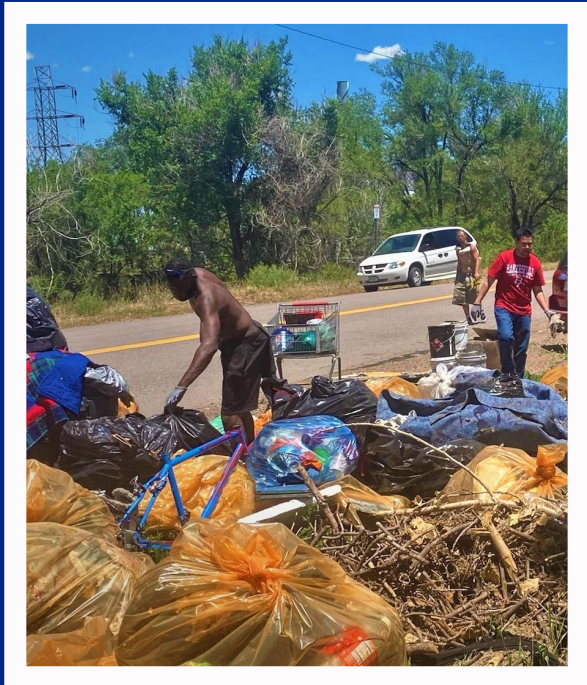

## OUR STORY:

HHFDC was founded in February of 2020 by Regan Benson after going public with work she had done for years to gain volunteer traction and financial support with the goal of investments for a work program and focus on land acquisition, housing & regular employment for unhoused populations.

## REGAN BENSON:

The founder of HHFDC. Regan is a Denver native wanting to give back to her community and reinstate "kindness and compassion, pillars of hope in how to love thy neighbor for those experiencing homelessness".

## HOW YOU CAN HELP:

HHFDC is the ONLY non-profit in the Denver area that works directly on the street to address sanitization issues and improve living conditions for those experiencing homelessness and for those affected by it.
